Eight Reasons To Pre-arrange a Funeral

1. **Guaranteed Price** – All funeral home service charges, livery and merchandise items are price guaranteed.
2. **Substantial Savings** – You decide now what type of arrangements you want and how much you want to spend...at a time when decisions will be made calmly and intelligently.
3. **Security** – Ontario law requires 100% of your money be deposited in a special trust fund. All funds received are placed in trust until services are rendered and are guaranteed by the funeral home. The Board of Funeral Services is the licensing and regulatory body for the funeral industry and monitors pre-paid funds on behalf of the consumer.
4. **Convenience** – Pre-need funeral arrangements can be made in our funeral home or in the comfort, privacy and security of your home. Affordable payment term plans are available.
5. **Transferability** – In the event you move from our neighborhood, your pre-need funeral funds are fully transferable to any funeral home in Ontario.
6. **Modification** – You can modify your pre-need funeral contract at any time.
7. **Eliminate Doubts** – Spare your family the emotional stress of making decisions during a difficult time. A pre-need funeral arrangement records your exact wishes – consider it the final gift for those you love.
8. **Responsible Estate Planning** – Responsible estate planning requires many considerations. Life insurance proceeds provide supplemental survivor income. Your will distributes your estate according to your instructions. A pre-need funeral contract offers your family inflation protection.
